MESSAGE FROM OUR BOARD

Thank you everyone for your support in what is turning out to be a very challenging time for all in animal rescue. Everyone is bursting at the seams with animals that need help, adoptions slowing and funds running very low.

We have had a large number of medical and behavioural cases that are in need of help and we have worked very hard to bring these furbabies all the resources they need.

In positive news, we had the wonderful news that long term residents Phantom and Dotty finally found their forever home after nearly a year in our care. We are thrilled that these two adorable babies are finally settled forever and can live their best lives together!
